Lark Signs Classic Stake Markers

Are perfect for identifying anything in your collection. These long lasting, easy-to-read signs will make your site more visitor friendly.

Blue Mistflower

Conoclinium coelestinum

Aster Family

This tough plant is a butterfly magnet, especially for Monarchs. The fluffy, bluish-purple flowers appear in late summer and may last through the winter if temperatures are mild. It tolerates drought, shade, and clay soil.

Attracts:

Bloom Time: Jul-Nov
Bloom Color: Blue

6" x 4"

- Your custom design is lasered into black anodized aluminum nameplates. Our standard thickness are .040" (about the thickness of a dime) & .063" (about the thickness of a quarter).
- The black anodized stake (with safety point) is included in the price and attached to the plate with super durable 3M VHB tape for a clean look. Add nameplate rivets for extra security, or the Stake Anchor to help prevent theft.
- We spell check your botanic and cultivar names.
- Guaranteed readable and colorfast for 10 years.
- 25 years educational sign expertise, we can turn your ideas into reality.

Our Markers Last!
On the left is a 20-year-old marker. It looks nearly as good as the new marker on the right!

Lark Sign Stake Anchor keeps your markers from walking away.

Green & Brown color options for your plates.

Our tape works great, but some folks prefer to have rivets.
